

Thu bainn' aig na caoraich uile

Thu bainn' aig na caoraich uile

The sheep all have milk

'S ballan aig a' chaora chruinn

And the round sheet has a gallon (rep)

Chaora' chrom a bh'air a leacainn

The stooped sheep that was on the path (walk away)

Cha do dh'fhuiling i riamh duin' fhaicinn

She couldn't suffer (bear) to see anyone

Chuireadh i le fead a sròine

She would with the whistle of her nose

Madadh ròmach air a dhruim

Put a romantic dog on his back
